EDUCATION

University of Colorado Boulder – Leeds School of Business

September 2020-2024

Bachelor of Science in Business Administration with an emphasis in Marketing

Minor in Creative Technology Design

Cumulative GPA of 3.33

- **Projects:** Partnered with Gilead sciences to find a solution to increase high school aged participation in clinical trials. My team decided that it would be best for Gilead to increase education and information outreach through partnering with schools and holding information stands, brand ambassador programs, and relevant courses. Created a visual representation of our plan and presented to the Gilead Sciences team.
- **Relevant Courses:** Communications, Accounting, Finance, Excel based math, Data management, Operations Management, Marketing

EXPERIENCE

The Bush School, Seattle, Washington

September 2016-2019

Teaching Assistant

- Modeled and taught basic and advanced social skills, conflict management techniques and study approaches to students.
- Graded assignments and tests using answer key, documented results, and informed teacher of student's performance.
- Prepared lesson materials and visual aids to reinforce lesson concepts.
- Cleaned and organized classrooms, materials, and supplies for maximum efficiency.
- Supervised and worked directly with students to ensure lesson concept understanding.

Free Lance, Seattle, Washington

January 2014-Present
